THE RECEPTION

Hold your reception in either Kent Hall or The Orangery.

"We held our wedding here in March and it was perfect. From our first meeting right through to the morning after the wedding the staff were so helpful, friendly and professional.

Adrienne and Jennifer made us feel so welcome and we were confident that our wedding was in good hands. We wanted a laid back and informal wedding and all of our wishes were taken into account with no pressure to add anything we didn't want.

On the day the venue was beautiful and the staff fantastic. We held the ceremony and reception in the Kent Hall and the staff worked so swiftly in changing the room around that the day seemed to merge seamlessly. The morning after the wedding everyone was served breakfast together as we had booked all 16 rooms for the night. This was a lovely touch that we had not expected and extended our wedding celebrations with our nearest and dearest even further.

We have had so many compliments from our guests on the venue and how friendly and helpful the staff were. Thank you Adrienne, Jennifer and the whole team at Little Silver Country Hotel for making our wedding day so special."
